OVERVIEW

Alkimia, an easy rhythm shaped by the sea

Alkimia was launched in 2015 and refitted in 2025, offering a refreshed and welcoming setting for life at sea. Designed with comfort and ease in mind, she brings together generous living spaces and a calm, open atmosphere that invites you to slow down and settle into the rhythm of the water.

Her expansive 45 sqm cockpit flows naturally into a bright, open saloon, creating a seamless connection between indoor and outdoor living. Panoramic windows fill the interiors with natural light throughout the day, while soft seating areas and thoughtfully arranged spaces provide the perfect setting to relax, gather, or simply take in the surroundings.

Life on board Alkimia unfolds effortlessly, from quiet mornings at anchor to long, unhurried evenings spent outdoors. Each space is designed to feel open, comfortable, and easy to enjoy, offering a setting that encourages time well spent at sea.
